ECONOMY & STANDARD MOULDING OPTIONS

This is a selection of our best moulding options within Economy and Standard pricing bracket. We tend to use wider mouldings for the larger artworks and thinner mouldings for the smaller artworks but if you have a cluster, you could use a selection.

Other options are available in different colours, widths, depths and finishes. Please enquire if you would like to see more options to suit your scheme.

PREMIUM MOULDING OPTIONS

This is a selection of our best moulding options within Premium pricing bracket. We would normally allow for a 10mm shadow gap between the edge of the canvas and the internal edge of the moulding. We can also allow for the canvas to be lifted to ensure the canvas front edge is in line with the edge of the moulding. Other options are available in different colours, widths, depths and finishes. Please enquire if you would like to see more options to suit your scheme.
